FROM THE ADMINISTRATION TEAM

Prep 2015: Our Prep Information Evening for this year has been set for Wednesday 29th October. Although this is not till next term, parents are asked to make note of the date. Flyers will be distributed to the various child care centres to promote the Prep Information Evening. Also in Term Four it is planned to hold some Prep Orientation mornings for 2015 Prep students. More details will be provided early next term. Parents are asked to help promote Prep at our school and recommend that their family and friends visit Clover Hill to check out what a great school we have!

Preparations for 2015: In preparation for 2015, all families will receive their re-enrolment packages in the coming weeks. This pack will include important information to enable the school and families to prepare for next year. This pack will include the following, so keep an eye out for your package:

- 2015 Confirmation of Enrolment form
- 2015 Booklists
- 2015 Student Resource scheme
- 2015 Family contribution

Stop, Drop, Go Zone Courtesy: In an effort to have a smooth departure from school, we ask the following:
• Collectors using the stop, drop and go area are to remain in their vehicle at all times.

• Collectors are to enter the stop, drop and go area near the crossing and proceed all the way towards the prep end of the area.

• Students will be required by staff to wait at the “Prep Gate” until collectors vehicles are nearby when duty teachers will release students.

• Collectors should exit the stop, drop and go area at the end of the area where they merge into traffic.

We ask that everybody remain calm and exercise patience in this regard. We also ask parents to exercise care and consideration when using this zone before school. Please do not park in this area – it is a stop, drop, go zone only. In the interest of student safety, your assistance in this matter is greatly appreciated.

**Every Day Counts:** As we reach the end of Term 3, parents are reminded of the importance of sending children to school on every school day unless there is a reasonable excuse for the student to be away, such as illness. Research shows that students who have a good attendance record are more likely to achieve high results. Going shopping, visiting family, staying up late, being tired or extending school holidays are not acceptable reasons to be away from school. Visit the Department of Education and Training website for more information: [www.education.qld.gov.au/everydaycounts](http://www.education.qld.gov.au/everydaycounts)

**School Watch – keep an eye on our school these holidays:** With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see anything suspicious, please don’t attempt to intervene. Call the School Watch number – 13 17 88. The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in our schools. Keep the number handy and let’s work together to help create a safer school community. To find out more about the School Watch Program, contact Education Queensland’s School Security Section on 3237 0874.

*Have a great holiday! Keep safe and see you ready for term 4!*

**Kind regards**

UNIFORM STANDARDS

School Uniform Standards: Clover Hill State School’s uniform policy has been developed in conjunction with the Parents and Citizens Association to promote a sense of belonging and a positive image of our school within the community. Our uniform has been deliberately chosen with cost, health and safety, maximum participation in all educational activities and practicality in mind. All members of the school community need to accept responsibility for ensuring that dress standards are maintained. To clarify what is acceptable and what is not acceptable according to our uniform policy we have included a pictures of what items are acceptable and what are not. We ask that all parents support our school’s efforts by ensuring that your child wears the correct uniform on a daily basis in Term 2. Should anyone wish to discuss this or require further clarification about our uniform policy please contact the school to arrange an appointment with our Parent Liaison Officer Mrs Michelle Brown or one of our school administrators.
### Help us to maintain our Uniform Standards

**Shoes to be worn with Formal Uniform on a daily basis**

**DROP OFF AND PICK UP REMINDERS**

Just a reminder to parents they need to drop off and pick up their children at the stop, drop and go zone only. All students are to enter and exit the school grounds from the main gate. The only exceptions are the bus and after
school care children, and children going to the bike rack. We have received numerous complaints from staff and parents about congestion, and unsafe driving and parking in both staff car parks. Staff carparks are off limits at all times.

FAMILY INFORMATION

Please keep the office informed of any change to phone numbers, home address or email addresses. Mobile numbers are very important in case we need to contact parents during the day. Email addresses are required as we will trial emailing student reports at the end of 2014.

MONEY COLLECTION PROCEDURES

All monies for excursions/activities are to be directed to the administration office payment window which is open between 8.30am to 10.30am Monday, Wednesday and Friday only. Payments may be made by cash, cheque (made payable to Clover Hill State School), credit card, EFTPOS or also be made via internet banking.

Preferred method of payment is by internet banking, described below.

Payments Via Internet Banking: direct payment into school bank account

- School’s Bank Account Name: Clover Hill State School General A/C
- BSB Number: 064-486 (CBA Branch Robina)
- Account Number: 1009 8071
- Reference/Details: Please record “Student Name” in the reference/details section so that your payment can be recorded correctly. If insufficient details are supplied, payments will be applied to the oldest debt for that Family/Customer.
- Payments via Internet Banking must be paid at least 3 days prior to the due date.

The procedure for payment for an excursion must include returning a permission slip and medical form (if applicable), signed by parents/carers. The signed permission slips will be returned to the excursion organiser as proof of payment by the student.

Children are asked to report with their money secured in a named envelope to the office on the said days where staff will collect and receipt it.

Please be aware excursion money must be paid by 10.30am on the due date which is clearly indicated on the note. Late payments will not be accepted.
If you know you are unable to make the deadline for payment please notify the school before the due date to make alternative arrangements or a payment plan.

Money cannot be accepted on the morning of an excursion/activity, as final numbers for buses and venues/activities will have already been generated.

Remember, the responsibility for payment is yours. The school will endeavour to provide reminders through newsletters, via class teachers and text messages; however, these are provided as a service and should not be relied upon. The non-acceptance of late payments will mean disappointed children. If your child is absent on the day of the excursion, a refund can be arranged by filling out a Refund Request form obtained at the office.

BLUE CARDS

Volunteers (parents) with a child attending Clover Hill do not need a blue card.

Grandparents, aunts, uncles etc. all need a blue card to volunteer in the school.

Please see the Administration office if you require a blue card form.

SIGNING IN & SIGNING OUT

Please be aware if you are on school premises (other than dropping off or picking up) you need to sign in and sign out at the Administration office. You will be supplied with a photo ID to be worn while in the school.

In the event of a fire / lockdown we need to account for all visitors.

Thank you

A MESSAGE FROM THE READING TEAM

From the Reading Team – How to be a Stronger Reader

Read in thought groups: Studies have shown that when we read, our eyes must make small stops along the line. Developing readers make many, many more fixations (eye-stops) than proficient readers. Not only does this slow us down, but it inhibits comprehension because meaning is easier to pull from groups of words rather than from individual words or even single letters. Try to read in phrases of three or four words. Your mind may internalise them as if the whole phrase is like one big meaning-rich word.

BIKE SAFETY

Congratulations for making a healthy choice to ride to school.

Please ride with safety in mind – your safety and the safety of people sharing the same path. Everyone needs to feel safe, both bike riders and pedestrians.

Please feel free to discuss this with your Assistant Principal if you need any clarification of your responsibilities.

As Clover Hill State School students we would like you to:

• Exercise control of your bike when travelling down the big hill,
• Be observant of people, especially children, in your path. Children can run quickly into your path,
• Please get off your bike and walk past when there are people on the pathway. They have right of way, you don’t and
• Please wear your helmet every time you ride your bike.

Opti- Minds Challenge

Congratulations to the Science and Engineering team the ‘Bubble Gum Dragons’ (Lakota, Emma, Sienna, Eden, Alyssa and Kobe) who were successful in winning their division and have been nominated to compete in the Opti-minds State Final held in Brisbane on 10-12 October. The team has to prepare and present their vision for the future. Thank you to the parents who have purchased tickets in the raffle the team are running to support their participation. A big thank you also to Mrs Crawford and Mrs Whittaker who have been supporting the team in their endeavours.
STUDENT SCIENCE WEEK RECOUNTS

The theme for National Science week this year was “FOOD FOR OUR FUTURE: Science feeding the world” inspired by the “International Year of Family Farming” – Feeding the world, caring for the earth. Each year level participated in a science lesson with a food focus. Below are some student recounts of their activity.

Last Tuesday we went to the school garden and we planted tomato seeds. First we put dirt in a cup. Next we put the seed in the cup full off dirt. After that we made a hole in the soil to put our seeds in. Last of all we watered our seeds. Then we went to the classroom.

Ashton from 1B

Last Tuesday we planted some tomatoes in a paper cup. First we put dirt in the cup. Next we put some seeds in it as well. Last we watered it. It was very fun. Now mine is growing,

Jasmine C, 1B

Year 7 conducted an enjoyable and amusing experiment that engaged us in being aware of sustainable fishing. We used lollies to represent fish that linger around in our local lakes, ponds and oceans. If we consumed too many lollies, that related to taking real fish. By using a range of utensils including straws and spoons, we started to compare the similarities that would happen in reality. In a matter of a five minute activity we identified the amount of consideration needed toward our local lakes. Year 7 now understand the difficulties of sustainability associated with environmental quality.

**INSURANCE COVER FOR STUDENTS**

Some school activities and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised the Department of Education and Training does not have student accident insurance cover for students. If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs are the responsibility of the parent or caregiver.

Some incidental medical costs may be covered by Medicare. If you have Private Health Insurance, some costs may also be covered by your provider. Any other costs must be covered by parents. Student accident insurance pays some benefits in certain circumstances should your child have an accident.

It is up to all parents to decide what types and what level of private insurance they wish to arrange to cover their child.

Please contact your insurer or an approved Australian Insurance Broker if you wish to take out student personal accident insurance cover for your child.

STUDENT COUNCIL

Humane Society International

RECYCLE YOUR OLD MOBILE AND HELP PROTECT THE MOUNTAIN GORILLA

The Student Council is proud to support the Humane Society International. HSI’s mission statement is to create an ecologically sustainable and humane world for all animals and their environments.

Every old/unused mobile phone and battery received by the Aussie Recycling Program (ARP) is credited to the Humane Society International.

Humane Society International will receive between $3 and $5 for phones sent.

Funds raised from recycling your old mobile will be used to support patrols in Virunga National Park, in the Democratic Republic of Congo, the home of the critically endangered mountain gorilla. Many have been killed by poachers and HSI is committed to helping the surviving gorillas, whose population is declining.

Please leave old mobiles/batteries in the silver box located in the front office.

Thank you in advance for helping to support this worthy cause.

Animal Welfare League

Student Council is continuing to raise awareness of the wonderful work that the AWLQ does each year in providing care, shelter, and re-homing of cats and dogs. The AWLQ doesn’t receive any government funding for welfare work so relies on the generosity of the community.

Student Council is asking for any donations of old blankets and towels or tinned pet food and schmackos.

Please place all donations into the yellow tub located in the front office.
PLAYGROUND USE

It is to be noted that all playgrounds and play equipment are out of bounds before and after school each day. All of our school playgrounds are built as per the recommended age groups corresponding to Australian Standards outlined below:

HEALTH NEWS

Dental News

The Child and Adolescent Oral Health Service has completed routine oral health care for students attending Clover Hill State School.

Please consider attending your family dentist in-between offers of care by the Child and Adolescent Oral Health Service to assist in maintaining your child’s oral health.

A dental pain relief and trauma service operates between offers of care to provide emergency treatment only. In the case of an emergency, telephone the Oral Health Client Service Centre on:

1300 300 850

Monday to Friday 8.00 am – 4.30 pm, excluding Public Holidays.

CENTREPAY OPTION

As part of our continual review of processes at Clover Hill State School, we now have the opportunity for parents to pay school resources payments through the Centrepay option.

Centrepay is a free direct bill paying service available to customers who receive a Centrelink payment (eg. Pension, Newstart Allowance and Family Tax Benefit). You can specify a target amount and regular deductions...
will be made until the target amount is reached. You also have the option to change/suspend your fortnightly deductions.

If you are interested in this option, please contact the Business Services Manager, Ann St George, on 55594111 and an appointment can be readily made. The form only takes 5 minutes to complete and is then faxed to Centrelink. The deductions are then paid directly into the schools bank account with a specific identifier to then be receipted against allocated invoices.

We hope this new option is helpful to our school community.

CHAPPY NEWS

Thank you to the entire school community for their support of Rainbow Day and supporting the op shop that supports Clover Hill's Chaplainy Program. The people down at the Op Shop were so appreciative and commented on what a great school we have, and of course I agreed. Also a huge thanks for the gold coin donations. I believe we have raised over $800 for the Chappy program. It sure is a privilege to be a part of the Clover community.

Thanks,

Your Chappy Mr Rob
