Welcome back to Term 2 – We hope that you enjoyed some family time over the Easter break. It has been a delight to see our children return to school full of excitement, proudly wearing the Clover Hill State School uniform and prepared to start another busy term of learning. During this term there are many exciting arts, sports and academic opportunities such as NAPLAN, Athletics and our excursion for music students. All these combine to ensure students will enjoy their learning no matter what their talents and interests. As the term progresses I invite families to continue working closely with our school and in particular, your child’s class teacher in order to achieve the maximum benefits for our children. Thank you for your ongoing support in ensuring that Clover Hill remains a school where we ‘Expect Excellence’.

Explicit Improvement Agenda: In all classrooms we are continuing to focus on our ‘Learning Improvement Priorities’:

1. Improved student achievement in READING – to be able to read well with comprehension.
2. Improved student achievement in SPELLING – to be able to spell accurately in writing.
3. Improved student achievement in NUMERACY – to be able to compute accurately.
Please ask your children what they have been learning about in these areas.

**ANZAC Day:** Our special ANZAC assembly held at school on Friday, 24 April 2015 recognised this important event. Staff and students participated in a ceremony to highlight the importance of the ANZAC spirit to our Australian heritage.

**New Playground Construction - Carpark Disruption Friday 8 May**

We are very excited to be underway with the redevelopment of the playground behind the Learning Hub and in front of C Block. Next Friday 8 May we expect a huge delivery of softfall material which will form the basis of the playground. It will be delivered to the front carpark and may cause disruption to parent parking while this material is transported to the new site. We thank you for your patience while we undertake this improvement to our school facilities.

**School Uniform Standards:** As the weather cools, we ask that all parents continue to support our school by ensuring that your child wears the correct uniform including school jumpers/jackets on a daily basis in Term 2. Should anyone wish to discuss this or require further clarification about our uniform policy please contact the school to arrange an appointment with our Parent Liaison Officer Mrs Michelle Brown or one of our school administrators.

**Student absences - Every day counts:** We highlighted the importance of school attendance in our last newsletter and we are delighted that our attendance figures are improving however of concern is the number of children who arrive late for school on a regular basis. Our school day starts at 8:55am. Students who arrive at class after this time are marked on the roll as being 'late' which is transposed into their semester reports however more importantly students who are late are missing out of important learning. As adults we know that it is unacceptable to be late to work so please support us in teaching our students this important work ethic.

**NAPLAN Testing:** “The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3 and 5. On Tuesday 12, Wednesday 13 and Thursday 14 May, students will undertake the 2015 NAPLAN tests. NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australia children.

NAPLAN will provide families with a report and help build a profile of school achievement, but it is only a very small part of school life. It is important to remember that national testing is merely one small part of teaching and learning throughout the year. We need to be organised for the week, but there is no reason for stress or anxiety. If your child is worried, please make sure you talk to their teacher or your sector’s Assistant Principal. Every week at Clover Hill State School is about enjoying learning and building strong relationships. This includes the NAPLAN week, so please ensure your children view it as a regular school week to enjoy.

Please contact our school if you have any questions about your child participating in NAPLAN testing. Further information is available on the [ACARA website](http://www.nap.edu.au/).
**Protect your privacy:** Queensland’s Privacy Commissioner is reminding parents and students to think about how much private information they give away. A survey has found young people are divulging personal information online, potentially putting them at risk of identity theft, defamation or cyberbullying. While it is often easy to feel safe when using the web and social media sites at home, it’s important to remember your privacy can still be at risk. The Office of the Information Commissioner has a number of useful resources on its website to help parents identify the risks and learn how to better protect their children online. It also includes tips to increase and control privacy settings on social media networking sites such as Facebook. For more information, visit the Office of the Information Commissioner website at [www.oic.qld.gov.au/protect-your-privacy](http://www.oic.qld.gov.au/protect-your-privacy).

**You Can Do It Program**

Last term we introduced you to two of the keys to success, confidence and persistence. This term we commence with organisation. As families in a busy world, organisation and being organised is a useful tool which helps us all.

**Organisation**

Organisation is revealed when young people keep track of their assignments, schedule their time effectively, and set goals for how well they want to do in specific areas of their school work and in other endeavours.

Organisation also means having all your supplies ready to do school work and having all your supplies ready a system for storing previously learned material.

All students in Years 1-6 will be involved in the competition at a school level. Each student prepares a speech to be delivered in class. The best speaker from each class will compete in the semi-finals determining a winning speaker from each year level. Two of the best speakers from each year level will then be selected to compete in the grand final to be conducted at a special assembly. The grand finalists will then compete in the Green Heart Cluster final.

Little Voices –Year 1-2 (two finalists) , Speaking Out-Years 3-5 (two finalists) , Speech Masters-Years 6-8 (two finalists) . Teachers will send home further information outlining year level topics and times.

CLOVER KITCHEN GARDEN

Greetings to all the Clover Hill Kitchen Garden enthusiasts,

In term 2 we will be planting salad, herb and vegetables for our cooking, and eating fun. So far beetroot, carrots, kale, lettuce and capsicum.

Naturally as a school community we are wanting to maintain the garden and continue to see it thrive. In order to do this we are planning a working bee every Wednesday afternoon from 3.15-4.30pm. This working bee is for you and your children to participate. Please bring your gloves and any gardening tools you may have. Please be mindful that you must accompany your children in this activity. Please mention this to your school friends as many hands make light work.

If you would like to be involved, please turn up or email Miss Katie on kkee2@eq.edu.au to let her know you are interested.

SEWING CLUB

Dear Families

Thank you for the wonderful gift of fabric pieces. We have started a sewing and craft group which meets on Mondays at big lunch in I4.

QPARENTS
Qparents has launched! Invitations for parents to register for QParents have been distributed via email. If you didn’t receive your invitation or need it to be resent, please contact the school.

QParents will allow parents to connect instantly with their child’s school to access and manage their child’s student information including:

- Attendance and absences details, including the ability let the school know of changes to normal routine, such as when a child is unwell or has to leave early.
- Academic report cards.
- Unpaid invoice details and payment history.
- Personal student details, including the ability to update information such as medical conditions.
- Enrolment details.

The benefits of Qparents:

Convenience and time savings for parents

- Parents can view or updated their child’s details without having to contact the school
- Provides an opportunity to enhance the role parents to play in their child’s education journey.

Greater transparency of information

- Improves accountability between parents and schools by providing parents with timely access to their child’s information online.

Contemporary state-wide solution

- Secure 24/7 access online.
- Anytime, anywhere accessibility — access QParents on your smart phone, tablet or computer.
- QParents is a scalable solution that has the potential to become a centralised information hub for parents to help them manage their child’s educational journey.

More information about QParents can be found at https://qparents.qld.edu.au/#/about

If you haven’t done so already, join Qparents today!

THE READING TEAM

Guess Who’s Coming to Dinner?

While your family is eating together, discuss what your favourite characters would have for dinner – Harry Potter might like pumpkin juice and chocolate frogs while Geronomo Silton could crave some cheese! Incorporating characters of favourite stories into your eating routine is a delicious way to promote deep thinking about character traits and motivation.
UNIFORM STANDARDS

School Uniform Standards: Clover Hill State School's uniform policy has been developed in conjunction with the Parents and Citizens Association to promote a sense of belonging and a positive image of our school within the community. Our uniform has been deliberately chosen with cost, health and safety, maximum participation in all educational activities and practicality in mind. All members of the school community need to accept responsibility for ensuring that dress standards are maintained. To clarify what is acceptable and what is not acceptable according to our uniform policy we have included pictures of what items are acceptable and what are not. We ask that all parents support our school’s efforts by ensuring that your child wears the correct uniform on a daily basis. Should anyone wish to discuss this or require further clarification about our uniform policy please contact the school to arrange an appointment with our Parent Liaison Officer Mrs Michelle Brown or one of our school administrators.
### Help us to maintain our Uniform Standards

#### Shoes to be worn with Formal Uniform on a daily basis
- All Black leather or leather like (NO canvas, NO volley or slip on)
- Lace up or Velcro – NO coloured laces
- Slip on canvas shoes and ballet-type shoes do not provide sufficient protection when students are participating in learning experiences or in the playground hence students will be excluded from lessons in the CAT and Science Centre without the correct footwear.

#### Shoes to be worn with Sports Uniform on timetabled HPE lesson day only
- Functional sports shoe – PREDOMINATELY black or white
- NO fluorescent or coloured laces

#### Hats
- Our Sunsafe Rule is “No Sunsafe Hat, No Play”.
- Students are encouraged to wear the school broad brimmed, bucket or legionnaire’s hat.

#### Winter Uniform
- School issue pullover or jacket.
- School issue navy blue track pants can be worn.
- Girls may also wear blue tights.
- No undershirts or undergarments should show outside or through uniform.

#### Jewellery
- The only jewellery to be worn at school are earrings (studs or sleepers and no more than one per ear) and a watch. No signet rings are to be worn.
- It is against Workplace Health and Safety Regulations to allow any other piercing apart from the ears. Similarly, no bracelets, anklets or necklaces are to be worn.
- Upon written request outlining significance, the principal will give consideration for religious, cultural and medical needs.

#### Hair & Make Up
- Extreme hairstyles are not permitted (This means haircuts that are not normally seen within schools of primary age cohorts i.e. tracks, mohawks, streaks, rats tails etc.).
- Hair colour is to be of natural tones - no coloured streaks
- All hair that is shoulder length or longer is required to be worn pulled back and secured away from the face and shoulders with a scrunchie, band or ribbon (matching to school colours).
- No coloured nail polish or make up is to be worn at school.

#### Uniform Shop Trading Hours:
- Tuesday and Thursday from 8:30am to 10:00am

Chappy News

Ks4 Kids.

Saturday May 23rd

Calling all Cloverites,

(We have 102 walkers!!!! can we make 150 and break the record for KS)

Come on Sign up and get sponsors or sponsor someone already walking and Support the Chaplaincy program at Clover Hill S.S

• Early Bird by May 11th
  Primary & High School Students $10 - Everyone Else $20

• Registration by May 23rd
  Primary & High School Students $15 - Everyone Else $25

(Reg fees go towards the cost of the day, any money raised through sponsorship comes directly to Clover)

I love being the Chaplain and being a part of the Chaplaincy Program here at Clover Hill, no doubt about it! But what many people do not realize is that chaplains are not actually employed by the government (like teachers) but rather work for a charity called SU Qld. suqld.org.au

I came on board in 2010, and any programs run by me or under the Chaplaincy banner are partly or fully based on community support.

There are a few ways you can support us, either by registering to walk and getting sponsors or by sponsoring somebody who is already walking. To do this you need to go to the web site http://ks4kids.org.au Or Ring Robert (me) on 0415615076 to work out other way to donate. All donations $2 or more are Tax deductible. There are also sponsorship books available for walkers if you would prefer, just ask Mr. Rob

Your support for this Walkathon will make a big difference in keeping our programs here at Clover Hill State School running: listening to kids, supporting staff, being there for families, helping out in times of crisis…doing what chappies do best.

Yours sincerely,

Mr. Robert Greenwood

School Chaplain

SCIENCE NEWS
2015 is the United Nations “International Year of Light” which is a global initiative adopted by the United Nations to raise awareness of how optical technologies promote sustainable development and provide solutions to worldwide challenges in energy, education, agriculture, communications and health. At Clover Hill SS we will continue to shine light on our young scientists.

SPECIALIST SCIENCE LESSONS

Mr Maddock has been visiting the Prep classes with his friends “Screechy” the cockatoo, “Professor Albert” and “Professor Rosalind”. The students have been learning about what science is and about “Weather in my World”.

Year one students are learning about “Wildlife Safari’s” although the school grounds have been a little bit damp to do the Schoolyard Safari. Year twos are developing their science skills and learning about living creatures in “Watch it grow”. The students’ are developing Science Inquiry Skills, asking the question “Why is it so?” and learning how to do science note booking and fair testing.

SCIENCE CLUB

Science Club has started again for the year. Science Club aims to promote science, and provide students with opportunities for academic challenge and extension. Science Club is free and open to all students from prep to year 6, and is held in the Science Lab on Thursdays at lunch time with Mr Maddock.

Each week students are able to come into the Science Club and do a range of activities from “Exploring the science lab”, doing a science experiment, watching a science documentary or finding out about a science internet site.

SPECTRA SCIENCE AWARD PROGRAM

This year Mr Maddock will incorporate, as a Science Club activity, the SPECTRA Awards program.

SPECTRA is a national science awards program developed and administered by the Australian Science Teachers Association for students between Years 1 and 10.

SPECTRA stands for Science Program Exciting Children Through Research Activities.
There are two levels in the program:

- Junior SPECTRA, aimed at Years 1–4 and
- SPECTRA, aimed at Years 5–10.

SPECTRA offers a range of science topic cards, where students complete activities related to their chosen topic. They carry out a range of practical and observational activities, research, experiments and projects. When the required number of activities has been completed to the satisfaction of the teacher the student is awarded a certificate and a badge.

SPECTRA is designed to encourage and excite students to do science activities; to recognize and reward student initiative, both individual and team-based and to provide a tangible collectible reward. Parents can encourage their child/ren by showing an interest in their choice of experiments or activities, helping them with ideas and being proud of their achievements when they receive their award and certificate. Your support is invaluable.

Further information on the SPECTRA Awards program can be found at www.asta.edu.au/resources/spectra or please feel free to contact me with any queries.

The cost of the program is $9.00 per card (paid by you). This includes the topic card, certificate and badge and all postage costs. The students complete the activities at home and are under no time pressure to complete the cards, they could take all year to complete the card or complete it in 2 weeks, it is up to them. When finished they bring in the completed activities (a home science journal or folder is great for writing in, adding photos, drawings, etc). If the activities are completed to a suitable standard, I will then sign off that they have been completed, then send the signed card to the SPECTRA organisers who will then send the certificate and badge which will be presented at the school assemblies. The student can then choose to do another card of their choice if they want to (each card costs $9).

Any students wishing to register for the SPECTRA Awards program need to come and see Mr Maddock to get an information letter.

Students participating in SPECTRA will then be eligible for other special science club activities.

Mr Maddock, Specialist Science Teacher and Earth Smart Coordinator

Prep - 3 PE Teacher

DATES TO REMEMBER

District Cross Country Carnival – 28th of May

Senior Athletics Carnival – 18th and 19th of June

STUDENT COUNCIL

On the 15th of May, Student Council will hold its second fundraiser for 2015; “Sport for a Cure”. Students can wear their favourite sporting outfit for a gold coin donation. Funds raised will be donated to the Prostate Cancer Foundation.

Humane Society International

RECYCLE YOUR OLD MOBILE AND HELP PROTECT THE MOUNTAIN GORILLA

The Student Council is proud to support the Humane Society International. HSI’s mission statement is to create an ecologically sustainable and humane world for all animals and their environments.

Every old/unused mobile phone and battery received by the Aussie Recycling Program (ARP) is credited to the Humane Society International.

Humane Society International will receive between $3 and $5 for phones sent.
Funds raised from recycling your old mobile will be used to support patrols in Virunga National Park, in the Democratic Republic of Congo, the home of the critically endangered mountain gorilla. Many have been killed by poachers and HSI is committed to helping the surviving gorillas, whose population is declining.

Please leave old mobiles/batteries in the silver box located in the front office.

Thank you in advance for helping to support this worthy cause.

Animal Welfare League

Student Council is continuing to raise awareness of the wonderful work that the AWLQ does each year in providing care, shelter, and re-homing of cats and dogs. The AWLQ doesn’t receive any government funding for welfare work so relies on the generosity of the community.

Student Council is asking for any donations of old blankets and towels or tinned pet food and schmackos.

Please place all donations into the yellow tub located in the front office.

Thank you for supporting the AWLQ.

INSURANCE COVER FOR STUDENTS

Some school activities and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised the Department of Education and Training does not have student accident insurance cover for students. If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs are the responsibility of the parent or caregiver.

Some incidental medical costs may be covered by Medicare. If you have Private Health Insurance, some costs may also be covered by your provider. Any other costs must be covered by parents. Student accident insurance pays some benefits in certain circumstances should your child have an accident.

It is up to all parents to decide what types and what level of private insurance they wish to arrange to cover their child.

Please contact your insurer or an approved Australian Insurance Broker if you wish to take out student personal accident insurance cover for your child.

PLAYGROUND USE

It is to be noted that all playgrounds and play equipment are out of bounds before and after school each day.
All of our school playgrounds are built as per the recommended age groups corresponding to Australian Standards outlined below:

- Prep playground, located next to the multipurpose courts - Prep students ONLY
- Junior playground, located in the middle of A & B block classrooms – Prep, Year 1 & 2 students ONLY
- Middle playground, located behind the resource centre - Year 3 & 4 students ONLY
- Fitness circuit, located on the senior oval - Years 4-7 students ONLY

Any unauthorised persons seen using this equipment outside the supervised play periods will be asked to leave equipment immediately for workplace health and safety reasons.

HEALTH NEWS

Gold Coast Oral Health (Dental) Services are offering free dental check-ups to children in all year levels at Clover Hill State School.

Child Dental Benefit Schedule Vouchers are accepted. When your child’s $1000 cap is reached, there will be no out-of-pocket expenses for the remaining treatment provided your child meets *eligibility criteria.

* Eligibility – All Queensland resident children aged four years or older who have not completed year 10 of secondary school.

To arrange an appointment for your child telephone:

Further information on public funded oral health care can be accessed via URL:

CENTREPAY OPTION

As part of our continual review of processes at Clover Hill State School, we now have the opportunity for parents to pay school resources payments through the Centrepay option.

Centrepay is a free direct bill paying service available to customers who receive a Centrelink payment (eg. Pension, Newstart Allowance and Family Tax Benefit). You can specify a target amount and regular deductions will be made until the target amount is reached. You also have the option to change/suspend your fortnightly deductions.
If you are interested in this option, please contact the Business Services Manager, Ann St George, on 55594111 and an appointment can be readily made. The form only takes 5 minutes to complete and is then faxed to Centrelink. The deductions are then paid directly into the schools bank account with a specific identifier to then be receipted against allocated invoices.

We hope this new option is helpful to our school community.
