FROM THE ADMINISTRATION TEAM

Clover Hill P&C Fundraiser: I’m pleased to support the P and C Association’s DRIVE-IN Movie fundraiser this term. Your support will make all the difference. Special thanks goes to Sara, Kat and David for coordinating this event.

2014 Annual School Report: This report provides parents and members of the school community with insights into our program development, teaching and learning foci, community partnerships and standards achieved by our students. A copy is available on our website: www.cloverhillss.eq.edu.au

Art and Science of Teaching (ASoT): Clover Hill maintains its strong commitment to the ASoT framework. Dr Robert Marzano helped devise this unique guide for schools to ensure that energy is spent on the important factors relating to learning. During Semester 1, we continued to investigate learning goals, proficiency scales and feedback for students. This has provided great support for students.

Parent Email Addresses: For the first time, our student reports will be emailed out to all families at the end of this term. If you are unsure whether your correct email address is on the school records please check with the school office. This will ensure that you receive your child’s report.

Safety Concerns: Sadly, we have many reports of parents crossing with students on Somerset Drive, in the area that has been fenced off, as they simply don’t want to walk to the traffic crossing. We urge parents to be the best role model they can be – this means crossing the roads at the appropriate crossings.
Communication upgrades: We are pleased to announce that we will be establishing an ‘official’ Clover Hill State School Facebook page. We are also making changes to our fortnightly newsletter to include more photos of our school happenings so urge parents to ensure that the permission form you completed upon enrolment is accurate. If you have any concerns about your child’s photo being published on our newsletter please advise Megan at our school office.

Facilities Update: Our new playground has opened and being enjoyed by our Year 2 and 3 students. We will have some photos to show you in the next newsletter.

Qparents: We currently have 139 parents registered for QParent portal. Please see administration if you would like any further information. Or email admin@cloverhillss.eq.edu.au

K4Kids: Once again, Clover Hill community showed their support for our Chaplaincy program by joining Mr Rob in the annual K4Kids beach walk on Saturday 22 May. Thanks to everyone for your support in keeping the Chaplaincy Program at Clover Hill State School strong.

Every Day Counts: Approximately half a million students are enrolled in Queensland state schools and all students should strive to attend school every school day unless there is a reasonable excuse. Persistent non-attendance requires additional resources to reengage students in schooling and to catch up on missed learning. This can involve learning and student support staff, and interagency collaborations. We are committed to supporting students and families with issues around school
attendance. Presently, Clover Hill State School has continued to keep its average attendance rate well above the State average. We thank all families for their continued support and the high value they place on student learning.

**Student absences – Family Holidays:** Of concern have been the number of students who are missing a significant period of school due to family holidays. Our Department advocates that parents have a legal obligation to ensure their child is attending school every day. Parents can apply for an exemption from this obligation when their child cannot attend or it would be unreasonable in all the circumstances for their child to attend school or participate in an eligible option for a period of more than 10 consecutive school days. Situations where an application for an exemption may be made include: illness, family reasons or cultural/religious reasons. In these cases, our office staff can provide parents with an application form for an exemption and it is important that supporting documentation and evidence are attached to the application. When a decision about the exemption has been made, parents will be informed in writing whether or not the exemption has been granted and if any conditions have been imposed. If parents are not satisfied with the decision made, they can make a submission for the decision to be reviewed. Further information is available from our Parent Liaison Officer, Mrs Michelle Brown.

UNDER 8's Day

On Thursday 28th May the Prep – Year 2 children enjoyed Under 8's Day. From 9am they engaged in a range of activities, such as box construction, kite making, block building, sand castle making, face painting, ball games and they even danced at a disco. The children were able to choose the activities that they wanted to do and there were many parents that came along to enjoy the morning too. The atmosphere was filled with fun, laughter and imagination. After the activities were all packed away the children had a Teddy Bear’s Picnic in the hall where they were treated to delicious food brought from home.

THANK YOU GRACE

Grace Miller is a student of Somerset College. Grace came to Clover Hill and helped out with our reading club last year.

Grace has very kindly donated a sum of money to Clover Hill to purchase new resources for our library. Grace also donated the series of "Fairy Meadows".

The girls were very excited to read them today.
You Can Do It Program

**Habits of the Mind**

**Being Tolerant of Others** means thinking that, when someone is mean to you or is different from you, he or she is not a totally bad person. It means thinking that you need to find out more about the person. It also means not wanting to “get back” at the person. Leads to Getting Along and an absence of anger and poor behaviour.

**Playing by the Rules** means thinking that by following school rules, school will be a better place to live and learn, and that you will stay out of trouble and be more successful if you do. Leads to Getting Along and not getting into trouble.

**Thinking First** means that when someone acts badly or unfairly, before you take action, you:

(a) think of the alternative courses of action; (b) think of the consequences of different actions you can take; and (c) predict the impact your actions may have on the feelings of the other person. Leads to Getting Along and solving conflicts peacefully without fighting.

**Social Responsibility** means thinking that it's important to be caring, to try hard to do your best, to be fair to others, to make sure that everyone has the freedom to say what they think and feel without
fear, to be honest and tell the truth, to have integrity by making sure that you do what you say you are going to do, to respect others and have nice manners, to act responsibly by making good choices, to sort out problems without fighting, to care about nature and other living things, and to be understanding and include others who are different. Leads to **Getting Along** and an absence of selfishness.

---

**CLOVER KITCHEN GARDEN**

We will soon be installing 12 new garden beds for the garden. Several classes will adopt a bed each, and enjoy the learning and fun involved with being responsible for growing plants. Soon we will ask for parent help to install these garden beds, fill them with soil and getting them ready for planting. Once the garden beds are delivered we will meet one weekend morning for a few hours to get this job done. I hope you might be able to help out. Date will be published soon.

Thank you

Mrs Tobin on behalf of the Science Team

**SEWING CLUB**

Dear Families

Thank you for the wonderful gift of fabric pieces. We have started a sewing and craft group which meets on Mondays at big lunch in I4. We have started to learn the skills of crocheting. If you have any spare wool, knitting needles or crochet hooks we would be happy to receive these donations.

Thank you

Mrs Tobin

**QPARENTS**

Qparents has launched! Invitations for parents to register for QParents have been distributed via email. If you didn’t receive your invitation or need it to be resent, please contact the school.
QParents will allow parents to connect instantly with their child’s school to access and manage their child’s student information including:

- Attendance and absences details, including the ability let the school know of changes to normal routine, such as when a child is unwell or has to leave early.
- Academic report cards.
- Unpaid invoice details and payment history.
- Personal student details, including the ability to update information such as medical conditions.
- Enrolment details.

The benefits of Qparents:

Convenience and time savings for parents

- Parents can view or updated their child’s details without having to contact the school
- Provides an opportunity to enhance the role parents to play in their child’s education journey.

Greater transparency of information

- Improves accountability between parents and schools by providing parents with timely access to their child’s information online.

Contemporary state-wide solution

- Secure 24/7 access online.
- Anytime, anywhere accessibility — access Qparents on your smart phone, tablet or computer.
- QParents is a scalable solution that has the potential to become a centralised information hub for parents to help them manage their child’s educational journey.

More information about QParents can be found at https://qparents.qld.edu.au/#/about

If you haven’t done so already, join Qparents today!

THE READING TEAM

This week’s “Family Reading Tips” from the Reading Team

Reach Out and Read

Boost family reading by involving loved-ones who live far away. Using Skype or another video conferencing program, have your child share a book with relatives. Make sure the book is one that your reader has read a few times already; repetition is a fantastic way to enhance reading skills.

UNIFORM STANDARDS

School Uniform Standards: Clover Hill State School’s uniform policy has been developed in conjunction with the Parents and Citizens Association to promote a sense of belonging and a positive image of our school within the community. Our uniform has been deliberately chosen with cost, health and safety, maximum participation in all educational activities and practicality in mind. All members of the school community need to accept responsibility for ensuring that dress standards are maintained. To clarify what is acceptable and what is not acceptable according to our uniform policy
we have included a picture of what items are acceptable and what are not. We ask that all parents support our school's efforts by ensuring that your child wears the correct uniform on a daily basis.
Should anyone wish to discuss this or require further clarification about our uniform policy please contact the school to arrange an appointment with our Parent Liaison Officer Mrs Michelle Brown or one of our school administrators.

PERFORMING ARTS NEWS!

Darren Percival Workshop and Concert for ALL children in Prep – 6

It’s almost here:  The Darren Percival Workshop this Tuesday the 16th of June.  How exciting!!

Thank you to all families who have returned permission and payment for this exciting event!

Advanced Instrumental Camp

Good luck to those lucky students; Ruby T and Holly & Sophie M who are off to attend the Advanced Instrumental Music Camp at the Tallebudgera Beach School on Monday – Thursday the 22 – 25th of June.

Music Gala Concert

Congratulations to all the talented Strings, Band and Choral students who performed at this weeks’ Music Gala Concert!!

Chappy News

Hi everyone, well here we are in week 8 already, wow it sure does go fast.  The Chaplain program continues to thrive, with a number of programs and services working within the school. I would like to thank all those lovely parents, teachers, and other staff members that help out in all different areas, keeping the program up to the standard we like. I feel very privileged being part of a great community.
Our Breakfast club (Closed group) is going very well, where a selection of our kids enjoy not only a great breakfast but also some companionship and games. There will be some slight changes to the program in term 3.

(Watch this space).

Energise club on a Monday morning definitely gets the children warmed up (and Mr. Rob) for the rest of the day.

Touch footy on a Friday morning for the older students is going very well and enjoyed by all.

I love being able to connect with the students, staff and parents and hopefully being of help in some way. I would like to inform you I will be going on holidays at the end of this week (week 8) but I will be returning next term (of course). If you would like more information about the program and what it brings to our school please feel free to contact me. Email; robertg@chappy.org.au

Ks4Kids wrap up; I would like to thank all our ks4kids sponsors that have helped make the event such a success!!! (once again). McDonalds (Burleigh), Gumnut Café Bakery (Mudgeeraba) Crisp Fish and Chips (The Mill), Mudgeeraba Butcher, Eagle boys pizza (Mudgeeraba), Caltex Mudgeeraba, Sportys Warehouse, Indulgence Bakery (The Mill), Putt Putt Golf (Mermaid), Cold Rock ice cream (Burleigh), Wallaby Hotel (Mudgeeraba), Zaraffas (Reedy Creek), Trophy Innovations (Mudgeeraba).

DATES TO REMEMBER

NRL Challenge Gala Day – 17th June
Senior Athletics Carnival – 18th and 19th June
Year 6 Futsal Tournament – 26th June

OCEANIC DISTRICT CROSS COUNTRY CARNIVAL

Congratulations to all the students who competed at the Oceanic District Cross Country Carnival. We had some great results, and special congratulations to Sophie M and Shantae S who successfully qualified for the Regional Cross Country Carnival, well done girls!!
**NRL CHALLENGE GALA DAY**

Students who have been participating in the extra-curricular rugby league and touch football program before school have been invited to compete at the NRL Challenge Gala Day next Wednesday the 17th of June. These Year 5 and 6 students have received a letter with information about this gala day and must have their payment for this gala day to the front office by this Friday the 12th of June if they wish to attend. Any further questions please contact Mrs Heinemann.

**SENIOR ATHLETICS CARNIVAL**

Our annual Senior Athletics Carnival will be held on the Thursday and Friday in Week 9 of this term. On the Thursday we will be running the Field Events and the 800m Events, and the Friday will be the sprints and relays followed by presentations. More information will be send home shortly.

**YEAR 6 FUTSAL TOURNAMENT**

Students who have been selected to compete at the Futsal Tournament held at Robina High School on the 26th of June will receive a letter about the tournament this week.

**STUDENT COUNCIL**

**Humane Society International**

**RECYCLE YOUR OLD MOBILE AND HELP PROTECT THE MOUNTAIN GORILLA**

The Student Council is proud to support the Humane Society International. HSI’s mission statement is to create an ecologically sustainable and humane world for all animals and their environments.

Every old/unused mobile phone and battery received by the Aussie Recycling Program (ARP) is credited to the Humane Society International.

Humane Society International will receive between $3 and $5 for phones sent.

Funds raised from recycling your old mobile will be used to support patrols in Virunga National Park, in the Democratic Republic of Congo, the home of the critically endangered mountain gorilla. Many have been killed by poachers and HSI is committed to helping the surviving gorillas, whose population is declining.

Please leave old mobiles/batteries in the silver box located in the front office.

Thank you in advance for helping to support this worthy cause.

**INSURANCE COVER FOR STUDENTS**

Some school activities and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised the Department of Education and Training does not have student accident insurance cover for students. If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs are the responsibility of the parent or caregiver.
Some incidental medical costs may be covered by Medicare. If you have Private Health Insurance, some costs may also be covered by your provider. Any other costs must be covered by parents. Student accident insurance pays some benefits in certain circumstances should your child have an accident.

It is up to all parents to decide what types and what level of private insurance they wish to arrange to cover their child.

Please contact your insurer or an approved Australian Insurance Broker if you wish to take out student personal accident insurance cover for your child.

PLAYGROUND USE

It is to be noted that all playgrounds and play equipment are out of bounds before and after school each day.

All of our school playgrounds are built as per the recommended age groups corresponding to Australian Standards outlined below:

- Prep playground, located next to the multipurpose courts - Prep students ONLY
- Junior playground, located in the middle of A & B block classrooms – Prep and Year 1 students ONLY
- Middle playground, located behind the resource centre - Year 2 & 3 students ONLY
- Fitness circuit, located on the senior oval - Years 4-6 students ONLY

Any unauthorised persons seen using this equipment outside the supervised play periods will be asked to leave equipment immediately for workplace health and safety reasons.

CENTREPAY OPTION

As part of our continual review of processes at Clover Hill State School, we now have the opportunity for parents to pay school resources payments through the Centrepay option.

Centrepay is a free direct bill paying service available to customers who receive a Centrelink payment (eg. Pension, Newstart Allowance and Family Tax Benefit). You can specify a target amount and regular deductions will be made until the target amount is reached. You also have the option to change/suspend your fortnightly deductions.

If you are interested in this option, please contact the Business Services Manager, Ann St George, on 55594111 and an appointment can be readily made. The form only takes 5 minutes to complete and is then faxed to Centrelink. The deductions are then paid directly into the schools bank account with a specific identifier to then be receipted against allocated invoices.

We hope this new option is helpful to our school community.

CBA SCHOOL BANKING

Thank you so much for participating in the Commonwealth Bank School Banking program at Clover Hill.

To enable the program to run smoothly I wanted to clarify a few points.

• Banking is every Friday morning from 8:30 - 9:00am at the tuckshop during term time.

• One deposit per child per week is allowed through School.

• One token is issued per week, per individual deposit, regardless of the monetary value of that individual deposit.

• The recording of tokens issued is an automated system, and not decided by the volunteers.

• The CBA School Banking Web based system used by the volunteers to process your child’s deposit will only allow them to submit one deposit per banking day.

• Once your child reaches 10 tokens they can redeem them for a reward from the choice of the current available rewards. The volunteers will let you know when your child has reached 10 tokens and will send out a rewards card.

• The rewards are individually ordered and may take up to 2 weeks to arrive.

• To make the School Banking program unique to Schools, the CBA Branches do not provide tokens for deposits made through the branch network, or through internet banking.

• A commission is paid to Clover Hill when the children bank through School. This is $5 for the first time your child banks at School, and 5% of each deposit, up to a total individual deposit of $200.
