Welcome back to Term 3 and a special welcome is extended to the new families who have joined our Clover Hill State School Community this term. A further welcome to the staff who have returned to Clover Hill and to the new staff. As we return to school and welcome new students it provides us with the opportunity to remind students of our high standards and expectations in relation to learning, behaviour and dress – we thank parents for their support in this matter.

**Learning Expectations:** At Clover Hill our vision is 'Expect Excellence'. Our staff expect excellence by stating clearly and fairly that we expect the best students can provide. Our staff are then able to challenge and guide the students in their work to get the best results from them and for them – by doing this we believe our students will strive to meet the challenges and in most cases succeed. We look forward to a great term ahead - expecting excellence by doing the best we can do in all fields of endeavour!

**School Uniforms:** As the weather cools it is important to maintain our high standards of dress. We thank all parents for the way you have co-operated with the requirement of all black shoes with our formal day uniform. We are seeking your co-operation from home in ensuring that our uniform is worn correctly and smartly at all times. A school of excellence displays its excellence in many ways and our uniform is one of the symbols of that quality. Please note that hooded jackets are not part of the school’s dress code and are not to be worn to school. Hair is to be of a natural colour and style. A full copy of our uniform policy is available on our school website.

**High Expectations!** Our expectations are that all members of our school community treat each other with respect and courtesy. We believe that all students have the right to learn in a safe and
supportive environment – similarly, all teachers have the right to teach without disruption. All students have the right to learn and no student has the right to stop others from learning. We have clear rules and known consequences for inappropriate behaviour – actions such as swearing, fighting and bullying will not be tolerated. A reminder that we all need to reinforce our school expectations – Care for Self, Care for Others, Care for Property.

**Staffing Changes this term:** This term we have the following changes to our Executive and Teaching Team.

- Mrs Gayle Alessio is taking long service leave and Mr Regan Gant will be Acting Principal
- Mrs Wendy McKay will be Acting Deputy Principal at Clover Hill SS. As a result of this change we welcome Mr Emmett Abraham who will be replacing Mrs McKay on Year 5 for Term 3.
- Mrs Kathy Cavanagh will be Acting Deputy Principal at Coomera Rivers SS and Mrs Shannon Meyers will be Acting HOC.
- Ms Mary-Jane O’Brien is taking long service leave and we welcome Mrs Ros Partridge to CCBlue.
- We welcome Mrs Brooke James to the Year 5 Intervention teaching role.

**Celebration of Learning ‘Student – Teacher – Parent’ Work Conferences:** We look forward to welcoming families along to these conferences scheduled for week 3. Invitations were distributed last week and we encourage all parents to take advantage of this opportunity. Bookings for these sessions are made using our online booking facility.

**Excellence in Learning Assembly:** Invitations for our annual ‘Excellence in Learning’ afternoon assembly for year 3-6 students were sent home last week. This assembly will commence at 2:00 p.m. in the school hall on Wednesday 29th July.

**Annual Report:** Our School Annual Report which will be published on our school website details the growth, development and performance of Clover Hill State School in 2014. This report provides parents and members of the school community with insights into our program development, teaching and learning foci, community partnerships and standards achieved by our students.

**P&C Twilight Fair:** On Friday 14 August, the Clover Hill P& C will hold a Twilight Fair on the school oval. This year’s Twilight Fair should be something to remember. The event, featuring a number of major rides, and various kids’ rides including a rollercoaster, will end with a spectacular fireworks display. (Rides operating from 2pm-7.30pm) You can save money by pre purchasing your Unlimited Ride Wristbands from [www.munchmonitor.com](http://www.munchmonitor.com) $25 pre-sale Unlimited rides OR Buy on the day (Unlimited rides $30, Individual ride tickets $6 or 4 for $20) Purchase online before August 2 for your chance to win an iPod nano!
Huge rides line-up with fun for All Ages! Inc. Kids Roller Coaster, The Hurricane, Whizzer, Ghost Train & plenty of rides for the littlies. There will be live entertainment on centre stage, carnival games and more!

**FIREWORKS Finale @ 7.30pm!**

Food & Beverages available for purchase

**Student absences – Family Holidays:** Of concern have been the number of students who are missing a significant period of school due to family holidays. Our Department advocates that parents have a legal obligation to ensure their child is attending school every day. Parents can apply for an exemption from this obligation when their child cannot attend or it would be unreasonable in all the circumstances for their child to attend school or participate in an eligible option for a period of more than 10 consecutive school days. Situations where an application for an exemption may be made include: Illness, family reasons or cultural/religious reasons. In these cases, our office staff can provide parents with an application form for an exemption and it is important that supporting documentation and evidence are attached to the application. When a decision about the exemption has been made, parents will be informed in writing whether or not the exemption has been granted and if any conditions have been imposed. If parents are not satisfied with the decision made, they can make a submission for the decision to be reviewed. Further information is available from our Parent Liaison Officer, Mrs Michelle Brown.

Have a great fortnight,

**Kind regards**

Regan Gant (Acting Principal)

on behalf of the 2015 Executive Team

We have had a request to support a local artist with the collection of plastic lids to help with an art piece.

We are asking for water, soft drink and milk lids.

Please send in to the office washed.

Thank you

You Can Do It

You Can Do It: Resilience is shown when young people are able to stop themselves from getting extremely angry, down, or worried when faced with challenging events and difficult situations and people. Resilience means being able to control your behaviour when very upset without fighting or withdrawing for too long. It also means being able to calm down after having been upset and bouncing back to work and being with other people.

QPARENTS

Qparents has launched! Invitations for parents to register for QParents have been distributed via email. If you didn’t receive your invitation or need it to be resent, please contact the school.

QParents will allow parents to connect instantly with their child’s school to access and manage their child’s student information including:

- Attendance and absences details, including the ability let the school know of changes to normal routine, such as when a child is unwell or has to leave early.
- Academic report cards.
- Unpaid invoice details and payment history.
• Personal student details, including the ability to update information such as medical conditions.
• Enrolment details.

The benefits of Qparents:

Convenience and time savings for parents

• Parents can view or updated their child’s details without having to contact the school
• Provides an opportunity to enhance the role parents to play in their child’s education journey.

Greater transparency of information

• Improves accountability between parents and schools by providing parents with timely access to their child’s information online.

Contemporary state-wide solution

• Secure 24/7 access online.
• Anytime, anywhere accessibility — access Qparents on your smart phone, tablet or computer.
• QParents is a scalable solution that has the potential to become a centralised information hub for parents to help them manage their child’s educational journey.

More information about QParents can be found at https://qparents.qld.edu.au/#/about

If you haven’t done so already, join Qparents today!

WOOLWORTHS EARN AND LEARN

Woolworths Earn & Learn is back and it is now easier than ever to earn valuable resources for Clover Hill State School.

It’s simple to participate. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths you can collect Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There’ll be one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco, and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box, located in the office at Clover Hill.

Please remember there is one sticker to a square and stickers must NOT be overlapped.

THE READING TEAM

From the Reading Team: Why Should Children Read or be Read to Everyday?

Kids who read often and widely get better at it. After all, practice makes perfect in almost everything we humans do and reading is no different from anything else. Reading
is a much more complex task for the human brain than, say, watching TV is. Reading strengthens brain connections and actually builds new connections.

UNIFORM STANDARDS

School Uniform Standards: Clover Hill State School's uniform policy has been developed in conjunction with the Parents and Citizens Association to promote a sense of belonging and a positive image of our school within the community. Our uniform has been deliberately chosen with cost, health and safety, maximum participation in all educational activities and practicality in mind. All members of the school community need to accept responsibility for ensuring that dress standards are maintained. To clarify what is acceptable and what is not acceptable according to our uniform policy we have included a pictures of what items are acceptable and what are not. We ask that all parents support our school's efforts by ensuring that your child wears the correct uniform on a daily basis. Should anyone wish to discuss this or require further clarification about our uniform policy please contact the school to arrange an appointment with our Parent Liaison Officer Mrs Michelle Brown or one of our school administrators.

**PARENT PARTNERSHIPS IN LEARNING**

During semester 1 parents, grandparents and friends of our school community have been working in the classrooms with students as part of the Parent Partnerships in Learning program. I often refer to this talented group of helpers as our ‘student mentors’ or ‘parent tutors’.

We are very lucky to have such a great group of mentors that are passionate about helping others. The following mentors are shining lights in our school community and need to be congratulated:

Kelly Wax, Donna Gerber, Dana Buciuman, Tammy Walden, Aletia Gray, Christine Pratt, Kathryn Pearson, Jim Wiggins, Jenny Dalgleish, Melissa Teunissen, Janette Lyons, Misty Delander (Term 1), Ron Griffiths, Fiona DeVivo (Term 1) Robyn Belgrove.

Our PPL mentors give approximately 1 hour of their week to help our students with both Literacy and Numeracy and are often seen in the corridors having fun whilst learning and supporting the students.

The PPL program will be continuing in Semester 2 and if you would like to be a part of this team please contact me via email: kkee2@eq.edu.au by the end of week 1 (Friday 17 July) I will be creating a new roster at the beginning of Term 3 when the Semester 2 timetable is released.
Wishing you all a very happy and safe winter holiday.

11:30-1.00pm: Year 2 & Year 3 students field events

1:50-2.55pm: Year 2 & Year 3 students running races

It would be great to see as many of you along to cheer on and support your child at the Junior Athletics Carnival.

DATES TO REMEMBER

Extra-Curricular Handball Competition: Starting in Week 3 Term 3

Oceanic District Athletics (High Jump Make Up): Wednesday 29th July

Oceanic District Championship Day: Thursday 30th July

FUTSAL TOURNAMENT DAY

Congratulations to the sixteen Year 6 students who were selected to participate in the Robina High School Futsal Tournament Day on the last day of Term 2. Students played a Round Robin Competition against Mudgeeraba
State, Mudgeeraba Creek and Robina Primary. Two of our Year 6 students have kindly put together a report on both the girls and boys competition, thanks Lily and Carl!

**Girls Futsal Report:** (Written by Lily AB)

On the 26th June the Year 6 girls and boys represented Clover Hill S.S. in a Futsal Tournament at Robina High School. The girls were undefeated; we played in six games below are the scores:

- Clover Hill vs Mudgeeraba Creek – Clover Hill won 5-1
- Clover Hill vs Mudgeeraba State – Clover Hill won 6-0
- Clover Hill vs Robina State – Clover Hill won 10-0
- Clover Hill vs Mudgeeraba Creek – Clover Hill won 7-0
- Clover Hill vs Mudgeeraba State – 9-2

We played Robina State School in the finals and won 11-2. Clover Hill girls are the 2015 Futsal Champions!

Congratulations to the girls that competed:

Lily AB, Paris W, Zali HR, Connie H, Ryleigh S, Chelcie V, Emily N, Chloe B

**Boys Futsal Report:** (Written by Carl E)

We gathered at Robina High ready to start the day with some futsal. We had Robina High students helping us with warm-ups and discussing tactical play to use during the day. Students from Clover Hill who attended were Carl E, Ajay T, Nick J, Marlowe W, Kai J and Tyler C and Jack R playing as keeper.

After half an hour of warm ups we were ready to kick-start the first game into action. We were up against Mudgeeraba Creek. In the first half Tyler scored leaving the standings 1-1 the score stayed the same throughout the rest of the match. Our first game ending as a draw. Our courage was still up and we were ready for the next game.

Our second match was against Mudgeeraba State. Nick scored the first goal in the first half and then Mudgee State took the victory from our grasp in the second half. Our third game was against Robina Primary, Carl scored the equalizer making it 1-1 as Kai scored another making it 2-1 but in the second half Robina Primary scored leaving us with another tie.

We made it to the quarter finals up against Robina State. In the first half the score was 0-1 Robina in the lead, Tyler scored the equalizer. Unfortunately for us, Robina got a very lucky last minute goal. Throughout the day Jack saved some impressive top corner shots, power shots and weren’t afraid of the ball so congratulations to Jack and the rest of the team. We finished 4/6 with an unlucky ending. The day was a great experience and was fun for all of us.

**NRL GALA DAY**
Congratulations to all the students who participated in the NRL Gala Day last Monday 20 July. Two teams of Year 5 and 6 boys competed in the Rugby League Competition and two teams of girls competed in the Touch Football Competition. All teams played well with plenty of games and even met some Titans players. Well done students!

**OCEANIC DISTRICT ATHLETICS CARNIVAL**

Last Wednesday 22 July was the Oceanic District Athletics Carnival held at Pizzey Park. Unfortunately due to weather conditions some of the High Jump events did not take place. Therefore, the 11 and 12 year old boys and girls who were meant to compete in the High Jump last Wednesday will now compete this Wednesday 29 July at 9:00am. If you have any further questions about this please contact the front office.

Otherwise, the rest of the carnival ran smoothly and we have 4 students who have successfully made it through to the Oceanic Championship Day next Thursday 30 July. More information about this carnival will be distributed early next week.

**Under The Sea**

Prep F used scrapers and sponge painting to create the wonderful paintings that are on display in the office.

Well done Prep F.
STUDENT COUNCIL

Humane Society International

RECYCLE YOUR OLD MOBILE AND HELP PROTECT THE MOUNTAIN GORILLA

The Student Council is proud to support the Humane Society International. HSI’s mission statement is to create an ecologically sustainable and humane world for all animals and their environments.

Every old-unused mobile phone and battery received by the Aussie Recycling Program (ARP) is credited to the Humane Society International.

Humane Society International will receive between $3 and $5 for phones sent.

Funds raised from recycling your old mobile will be used to support patrols in Virunga National Park, in the Democratic Republic of Congo, the home of the critically endangered mountain gorilla. Many have been killed by poachers and HSI is committed to helping the surviving gorillas, whose population is declining.

Please leave old mobiles/batteries in the silver box located in the front office.

Thank you in advance for helping to support this worthy cause.

RSPCA Donations

This Semester Clover Hill will collect donations for the RSPCA rather than the AWLQ, which we have done in previous years. The RSPCA is a not-for-profit charity, and last year alone saw over 44,000 animals come through its door requiring help. They rely on community support and donations solely to assist animals in need. Urgent donations currently required include animal food, animal beds/blankets/towels, toys, food bowls, collars and leads. If you are able to assist, please drop your donation (big or small) to the front office at school so we can pass these on.

Thank you for your generosity and support.

Pink Ribbon Day

On Wednesday 5 August, Clover Hill will be holding a Pink Ribbon Day fundraiser to raise money for the Cancer Council, Australia. Students can wear pink t-shirts, wigs, socks, boas, hats, jewellery or shoe laces only, for a gold coin donation. No hair colour allowed. From Monday 3 August to Friday 7 August, students can purchase a pink wrist band from the tuckshop for $2.00. On 5 August, the tuckshop will also be selling a range of pink snacks (from just 50¢) to raise money for the Cancer Council.

INSURANCE COVER FOR STUDENTS
Some school activities and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised the Department of Education and Training does not have student accident insurance cover for students. If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs are the responsibility of the parent or caregiver.

Some incidental medical costs may be covered by Medicare. If you have Private Health Insurance, some costs may also be covered by your provider. Any other costs must be covered by parents. Student accident insurance pays some benefits in certain circumstances should your child have an accident.

It is up to all parents to decide what types and what level of private insurance they wish to arrange to cover their child.

Please contact your insurer or an approved Australian Insurance Broker if you wish to take out student personal accident insurance cover for your child.

PLAYGROUND USE

It is to be noted that all playgrounds and play equipment are out of bounds before and after school each day.

All of our school playgrounds are built as per the recommended age groups corresponding to Australian Standards outlined below:

- Prep playground, located next to the multipurpose courts - Prep students ONLY
- Junior playground, located in the middle of A & B block classrooms – Prep and Year 1 students ONLY
- Middle playground, located behind the resource centre - Year 2 & 3 students ONLY
- Fitness circuit, located on the senior oval - Years 4-6 students ONLY

Any unauthorised persons seen using this equipment outside the supervised play periods will be asked to leave equipment immediately for workplace health and safety reasons.

CENTREPAY OPTION

As part of our continual review of processes at Clover Hill State School, we now have the opportunity for parents to pay school resources payments through the Centrepay option.

Centrepay is a free direct bill paying service available to customers who receive a Centrelink payment (eg. Pension, Newstart Allowance and Family Tax Benefit). You can specify a target amount and regular deductions will be made until the target amount is reached. You also have the option to change/suspend your fortnightly deductions.

If you are interested in this option, please contact the Business Services Manager, Ann St George, on 55594111 and an appointment can be readily made. The form only takes 5 minutes to complete and is then faxed to Centrelink. The deductions are then paid directly into the schools bank account with a specific identifier to then be receipted against allocated invoices.

We hope this new option is helpful to our school community.

Get your family active and eating well
Local families can still sign up the free healthy lifestyle program called PEACH™ - Parenting, Eating and Activity for Child Health, commencing in two locations on the Gold Coast in term 3.

The program is fun for kids and helps parents and carers make healthy eating and activity a part of every-day life. It is available to families with a child aged between 5-11 years who is above a healthy weight their age.

It consists of 10 group sessions that run for 90 minutes each. The first 9 sessions are held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Some of the topics covered include nutrition, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator.

The program is funded by the Queensland government and being delivered by the Queensland University of Technology.

If you would like more information about the PEACH™ program or to register please contact free call 1800 263 519 or visit www.peachqld.com.au
