As we near the end of Term 2 it is a timely reminder to reflect on our great achievements over the term. In the coming week we are looking forward to hosting our first senior athletics carnival at Somerset and celebrating the end of term with our P&C disco. Student reports will be arriving in your inbox next week and are also available via the QParents app. Please contact us if you need to update your email. We would like to pass on our thanks to all parents for your continued support of our school during the semester.

Annual Report: Please keep an eye out for our School Annual Report which will be available through our website and via QSchools. Our School Annual Report details the growth, development and performance of Clover Hill State School in 2015. This report provides parents and members of the school community with insights into our program development, teaching and learning foci, community partnerships and standards achieved by our students.

Reports: Semester 1 reports will be emailed to parents on Wednesday 22 June and will also be available through the Qparents App.

Parent-Student-Teacher Conferences Term 3: In our classrooms we believe your child’s progress is dependent on a partnership between home and school. We also believe that it is important that students are encouraged to take responsibility for their learning and behaviour. Therefore as part of our reporting process we offer all parents the opportunity to participate in our Celebration of Learning “Student – Teacher – Parent Conferences”. These conferences will involve your child giving a self-evaluation of his/her progress and outlining his/her personal goals for Semester 2. This process makes your child more responsible for his/her learning and behaviour. Responsibility increases true self-esteem and can only have a positive effect on your child’s progress. We hope that you will avail yourself of this time as it will mean a lot to your child if you could attend. Information about these sessions will be made available soon.

Ks4Kids Chaplaincy event: Our major annual Chaplaincy fundraiser will take place this Saturday 18 June. Ks4KIDS is a 3.5km, 10km or 30km walk to and from Coolangatta to raise funds for our chaplaincy program. To date we seem to have fallen short of our target!! In the past we have had over 100 walkers on the day, and are again looking for community support of the wonderful Mr Rob and the great work he does at Clover Hill. Please go to www.ks4kids.org.au and register to walk or sponsor Mr Rob or someone else walking for Clover Hill S.S. Money raised through sponsorship comes directly to Clover Hill. Registration money goes towards the cost of the day. We thank you for your previous years support and once again ask for your help.

- **(Reg fees goes towards the cost of the day, any money raised through sponsorship comes directly to Clover)** I love being the Chaplain and being a part of the Chaplaincy Program here at Clover Hill, no doubt about it! But what many people do not realise is that chaplains are not actually employed by the government (like teachers) but rather work for a charity called SU Qld. suqld.org.au I came on board in 2010, and any programs run by me or under the Chaplaincy banner are partly or fully based on community support.

- **There are a few ways you can support us, either by registering to walk and getting sponsors or by sponsoring somebody who is already walking. To do this you need to go to the web site www.ks4kids.org.au Or Ring Robert (me) on 0415615076 to work out other ways to donate. All donations $2 or more are Tax deductible. There are also sponsorship books available for walkers if you would prefer, just ask Mr. Rob☺☺☺☺ Your support for this Walkathon will make a big difference in keeping our programs here at Clover Hill State School running: listening to kids, supporting staff, being there for families, helping out in times of crisis…doing what chappies do best.**

Yours sincerely,

Mr. Robert Greenwood
School Chaplain
PAYMENT AND FORM REMINDERS

Don't forget to hand your PREP farm notes and payment into the office.

Even if you have paid via the internet please hand in medical forms to the office.

Senior Athletics medical forms need to be returned to the class teacher ASAP.
Road Safety
Students crossing Somerset Drive
We ask parents and carers to have a chat with their students about crossing busy roads at the traffic lights and using the pedestrian crossings. Sometimes children forget the importance of using pedestrian crossings safely, and it is very helpful if we regularly remind them how to cross a busy road safely, and where to do it, and then be vigilant in reinforcing road safety rules.
If your child walks or rides to school please be very clear with him or her that they must use pedestrian crossings, where available, as they travel directly to and from school.
On another note please remember to stay in your car if you are in the Stop Drop n Go area.
