

CLOVER HILL STATE SCHOOL

Resource List

2027

Prep to Year 6

2027 Student Resource List

In accordance with the Education (General Provisions) Act 2006, the Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost-effective alternative to purchasing textbooks and/or resources elsewhere, Clover Hill State School operates a Student Resource Scheme (SRS).

The scheme ensures that students have the resources required for them to engage with the curriculum for their education and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

Parents who choose not to participate in the SRS are responsible for providing their student with all items listed on the Resource List that would otherwise be provided by the SRS to enable their student to engage with the curriculum by the start of the school year.

To assist parents/ caregivers in making an informed choice, provisional retail prices are outlined for the required resources should they be considering becoming a non-participant in the SRS.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association.

Martine Gill
Principal

Prep		
Resources	Cost	Resource
Printing and Reference Material – prepared by teacher	\$120.00	Used
Series of Class Readers/Picture Books/Chatter Books	\$1520.00	Hired
Science Consumables (eg magnifying glass, mirrors, ice trays, eye droppers and petri dishes) and consumables for science experiments including STEM (eg polycarbonate, wood sheeting, printer filament & other materials)	\$180.00	Used
Art Consumables (paint, glitter, PVA glue and various other materials)	\$290.00	Owned
Mathematics Maths Kits (MABs, number lines, dice counters, timers, geometric solids, plastic money, measuring scales, measuring tapes, Unifix cubes, fraction games, hundreds board, mini whiteboards, place value charts, measuring tools and other equipment)	\$350.00	Used
Health and Physical Education Skipping ropes, balls, hoops etc	\$10.00	Used
Online Licence Subscriptions (12 months) Essential Assessment- Mathematics	\$14.70	Owned
TOTAL	\$2484.70	

Year 1 & 2		
Resources	Cost	Resource
Printing and Reference Material – prepared by teacher	\$120.00	Used
Series of Class Readers/Picture Books/Chatter Books	\$1520.00	Hired
